*Please keep **Karen Kreul** in your prayers as she continues her recovery from a heart attack and a new stint in her heart. She is doing well and is thankful for your prayers.*

SPECIAL WORSHIP SERVICES

For all services, face masks are required. If you do not have a mask, one will be provided for you. We will also practice social distancing. Online options will always be available. ~ **FATHER'S DAY, Sunday, June 21, 9:00 a.m.** we will have an in-person worship service in the sanctuary. At this time, we are limited to **ONLY 70** worshipers – so please call the church office to 'reserve' a spot for you and/or your family. If you do not feel comfortable gathering in a large

group yet, please join us online, as this worship service will be live-streamed to our Facebook page.

~ **OUTDOOR WORSHIP CENTER** services begin on Sunday, June 28, 9:00 a.m. Please bring your own picnic communion and lawn chairs. Of course, outdoor services are weather dependent, and we will let you know in our weekly announcements if that service will be canceled that Sunday.

VISITING THE SANCTUARY As timelines for the remodeling are put in place, you are welcome and invited to come in for an inspirational last look at the current sanctuary space. If you'd like to schedule a visit, please call the church office, at 608.291.4311.

ST. JOHN'S FACE MASK CENTER We cannot claim victory over COVID-19 as yet. St. John's encourages wearing masks in church and in public. Beginning Father's Day, June 21, a variety of cotton masks (washable/reusable) will be available on a table outside the sanctuary. If you need a mask, please take one. Each mask is displayed in separate bags. Donations to NINA are always deeply appreciated. A fund box will be on the display table for your convenience.

SWANSON UPDATE

Ed and Melissa continue on in Mexico. Ed is working alone to maintain the translation center. Melissa is working as his assistant in the Mitla Admin. office. No one else reports to the office area except the Swansons. We currently have 9 co-workers sheltering at the Center. The numbers for COVID continue to rise in Oaxaca. Most indigenous communities, including ours, are on complete lock down. No outsiders are allowed in or out and we are discouraged from leaving town. So, we rarely go out, except to get

groceries. Praise God that there are no documented cases in Mitla to date.
