COVID RESPONSE UPDATE - During the Covid-19 Pandemic, St. John's Lutheran has been following the guidelines of the CDC, Dane County, and the Wisconsin Council of Churches. This remains true now. The requirement for wearing masks is being eased. Therefore, St. John's Council passed a motion at the May 24, 2021, meeting for masks to no longer be mandatory at worship beginning the weekend of June 5 & 6. It is very important for you to feel safe and comfortable. Therefore, if you are more comfortable wearing a mask, wear one. If you are more comfortable not wearing a mask, don't wear one. There are many reasons someone may wear a mask---they may have an autoimmune disease, they may have high-risk loved ones they are protecting, they may have a chronic disease (heart, cancer, etc), they may not be vaccinated, they may have children who are not vaccinated, or they may simply feel more comfortable in a group of people wearing a mask. This is a personal choice and decision. We are called to be kind and compassionate with each other. The pandemic time has changed life for of all us. Let us gently move into this time when we are learning to be with each other in-person once again.

ST. JOHN'S LOGO CONTEST St. John's logo is in need of an update. You are invited to use all your creativity in designing a new logo. The only request is St. John's name be in the design. You have freedom with color, shape, images (cross), and layout. If you need pictures of the building, any of the crosses, windows, etc., please contact the church office, or feel free to come and take your own pictures. ***Your design deadline is Wednesday, June 30.*** A 'top six' list will be chosen and displayed for a congregational vote. The design with the most votes will be announced Sunday, September 12. The winner will receive a \$100 gift card to Amazon. Be creative and have fun!
