OPPORTUNITIES FOR SUNDAY MORNING WORSHIP

We also encourage you to maintain physical distance. ***Other things to consider bringing along:*** water bottles, and an umbrella to provide some shade!

SANCTUARY UPDATE

The inside work is well underway. Most of the pews have been removed and we are preparing for full demo, which will start later this month. We will be moving several items, including the altar, pulpit and cross, into the Friendship room temporarily.

We'll be starting work on the roof next week. We'll be removing the stone on the 13 and 14 and placing it in a designated area in the parking lot. If you would like to come and pick some up, please feel free! We are planning for the roof to finish up in early to mid-September, and for the solar array to be installed by the end of September.

As the work gets underway, we'll plan to share regular video updates, so you can see the transformation in progress. If you have any questions about the work, please reach out to anyone on the Building Improvement Team.

HOME COMMUNION VISITS - Barbara Newhouse, a member of the St. John's Care Caller Team, will resume doing communion visits. An outdoor setting with masks and social distancing is a requirement. The elements were blessed this past Sunday by Rev. Keeseey-Berg. Please call the office (291.4311) to leave your name and number, if you wish to have a communion visit. Barbara will contact you to set up a day and time.

LUTHERAN WORLD RELIEF – *Beirut, Lebanon*

Three 40-foot shipping containers filled with humanitarian aid that included thousands of handmade quilts and baby-care items were destroyed in the devastating August 4 explosions at the port of Beirut, Lebanon. The shipment also included school supplies for students and personal care kits, were destined for refugees living in Lebanon, principally from Syria and the Palestinian territories. The total value of the lost shipments was approximately \$624,000. The loss of more than 22,000 quilts, sewn by individuals and members of Lutheran congregations across the U.S., could mean a more bitter winter for thousands of refugees, said Melanie Gibbons, deputy director, outreach and engagement at Lutheran World Relief.

In addition, the shipping containers held 100 cartons of kits filled with school supplies, 300 cartons of personal care kits and 125 cartons of baby care kits.

"Our hearts are breaking as we grieve and pray with our brothers and sisters in Beirut," said Daniel Speckhard, president & CEO of Lutheran World Relief. "We are committed to replacing the aid that was lost and are working on an emergency response to provide assistance as the city recovers and rebuilds."

The explosions killed more than 150 people, injured more than 5,000 and left at least 300,000 without shelter. The blast was strong enough to register as the equivalent of a 3.3-magnitude earthquake and was felt as far as Cyprus, 150 miles away.
