SWANSON UPDATE

Dear Ministry Partner,

Where has the time gone? It's time to give you an update on where we are in rebuilding our support team. We also need prayer.

We just received our higher ministry budget for 2022 which increased our monthly need by \$438. So our current need has grown to \$778/month. The good news is that two new churches are hoping to join our ministry team soon. We

are optimistic that we can begin working on Mexico Branch projects by March. **But please don't stop praying!**

On December 28, Melissa's eldest brother Alan went to the ER and needed emergency surgery for an issue with his small intestines. It was very serious and we were told he may not survive. However, God was in control and the surgery was successful. Melissa traveled to Kansas in January to see him. There is more to this story, but for now, suffice it to say that Alan is on the mend and doing well.

Now, will you uphold us in prayer?

- Continue to pray for God's people to fill in that gap in our monthly support.
- Pray we can sell our home in Illinois to our tenants. Closing date is set for March 7. We need wisdom and discernment as we work through this process without realtors. Pray for God to be glorified as we work through this process with them. They are not believers to our knowledge.
- For clarity on how we will continue to serve Bible translation in Mexico remotely. There is a possibility that Melissa will receive permission to begin training for the Acting Personnel Director position soon. Also, for God's timing for our return to Mexico so Ed can work on the facilities project.
- Pray for Ryan who is struggling to finish his mechanical engineering degree at Liberty University.
- Pray concerning some medical issues that both Ed and Melissa have that might require elective surgery.
- Please pray for Alan's complete recovery.
